WOMAN WEAK AND NERVOUS  
Finds Health in Lydia E. Pinkham's Vegetable Compound.

Creston, Iowa.—"I suffered with female troubles from the time I came into womanhood until I had taken Lydia E. Pinkham's Vegetable Compound. I would have paid if I overworked or lifted anything heavy, and I would be so weak and nervous and in so much misery that I would be prostrated. A friend told me what your medicine had done for her and I tried it. It made me strong and healthy and our home is now happy with a baby boy. I am very glad that I took Lydia E. Pinkham's Vegetable Compound and do all I can to recommend it."—Mrs. A. B. BOSCAW, 504 E. Howard Street, Creston, Iowa.

Tons of Roots and Herbs  
are used annually in the manufacture of Lydia E. Pinkham's Vegetable Compound, which is known from ocean to ocean as the standard remedy for female ills.

For forty years this famous root and herb medicine has been pre-eminently successful in controlling the diseases of women. Merit alone could have stood this test of time.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Let the men keep in mind the contest in the Bible School. Flomingsburg is 28 ahead. Every man present counts one. School meets from 9:30 to 10:30. Church at 10:45 a. m., and 7 p. m.

Have you ever tried our way of borrowing money to pay for a farm?

You, of course, know that most farms are sold for one-third cash and the balance of the payment is represented by lien notes due in one and two years. You also know that there are times when it is impossible to pay these notes when they become due.

Our specialty is lending money on good farms for LONG PERIODS. Wouldn't you rather have five years to pay the balance than two years?

Any one expecting to buy farms this March will do well to come in and consult us about getting the money.

We have been giving satisfactory service for 24 years.

ELECTRIC SIGNS!

The distinguishing air of quality which a first-class Electric Sign gives to a store is the element which gives a sign its greatest value as an advertising medium and investment. The impression it makes is good. It blazes forth to the public that there is business enterprise, merchandise and methods up-to-date. It affects the entire atmosphere of the business district. The stranger says, "It is a live town," and publishes it abroad.

It is the Sign of the Times.
